To whomsoever it may concern,

As an accomplished professional, I was compelled to contact you with my interest in the Software Engineer opportunity with your team at Cerner. Although, I come from a different background, but I bring an extensive background of success in the field of Data Migrations and Integration Engine.

I offer a combination of unique skills and competencies which I have developed through a lengthy and rewarding career. I bring an exposure on SQL, Open Engine (FSI), Linux. Along with it, I have also participated in other automation projects including technologies like Excel VBA and Selenium. I have as well contributed to organizational improvements, collaborative team efforts and attainment of key business targets.

I am eager to discuss the possibility of joining your team. Please feel free to contact me for additional career details and qualifications. I look forward to hearing from you at your earliest convenience. Thank you for your time and consideration of my candidacy.

Sincerely,
DIKSHA PATHAK
